Data Analysis and Reporting

06

- **Performance Measurement:** I measure and report the performance of digital marketing campaigns using tools like Google Analytics.
- **Data-Driven Strategies:** Utilize data insights to refine marketing strategies and enhance customer experiences.

Social Media Management

08

- **Content Scheduling:** Efficiently schedule posts to promote organic account growth.
- **Community Engagement:** Actively engage with the online community by responding to comments and messages promptly.
- **Trend Monitoring:** Stay updated on industry trends, platform updates, and emerging technologies to keep strategies relevant and effective.

The screenshot shows a social media management interface with a calendar view for July 2024. The calendar is organized by days of the week (Monday to Sunday). On Thursday, July 4th, two posts are scheduled. Each post is from 'Five Fine Fragrance...' and includes a photo of perfume bottles and the text 'Diversify your perfume line'. The interface also shows search, filter, and view options (Daily, Weekly, Monthly).

The screenshot shows a Google review for 'Saladino' restaurant. The review is 4.5 stars and includes a response from the owner. The review text mentions the location in Riyadh and the quality of the food.
